

MUSIC LIFE STUDIOS

CORRECTED BOOKING, REFUND, AND ORDER-SCHEDULE PACKAGE

BOOKING, CANCELLATION, RESCHEDULING, LATENESS AND NO-SHOW POLICY

1. Booking Confirmation

A reservation is confirmed only when:

- the Customer completes the required booking process;
- any required Agreement is accepted; and
- the required payment successfully processes.

A failed or pending payment does not create a confirmed reservation.

2. Standard Reservation Deposit

Unless a Service Module expressly states otherwise, the standard reservation deposit/retainer is **50% of the applicable booking or service amount**.

The amount due at booking must be displayed before payment.

3. Cancellation and Rescheduling Notice

Customers must provide **at least 24 hours' notice** for an ordinary cancellation or rescheduling request.

The notice period is measured from the scheduled session start time.

4. Timely Cancellation or Rescheduling

When the Customer gives at least 24 hours' notice, the treatment of the 50% deposit will be:

[FINAL POLICY SELECTION REQUIRED BEFORE LAUNCH]

[] refundable;

[] credited toward a rescheduled booking;

[] transferable to another eligible Studio service;

[] other: _____

The system must not silently treat this unresolved point as automatically forfeited.

5. Late Cancellation

A cancellation or rescheduling request made less than 24 hours before the scheduled start time may result in loss of the applicable:

- reservation deposit;
- reserved Passport hours;
- loyalty reward hours; or
- other reserved benefit,

as stated in the Customer's Order Schedule.

6. No-Show

A Customer who does not appear for a confirmed appointment and does not timely cancel may lose the applicable reserved deposit, hours, or service benefit identified in the transaction.

7. Lateness

The booked clock ordinarily begins at the scheduled start time.

Late arrival does not automatically move the scheduled end time.

If Music Life Studios is able to extend a session, the additional time requires Customer approval and is charged at the applicable rate.

8. Passport and Loyalty Bookings

Passport members and Music Lifer reward users remain subject to these booking rules.

Priority booking does not:

- guarantee availability;
- override confirmed bookings; or
- guarantee a specific engineer.

A late cancellation or no-show may result in deduction of the reserved Passport or loyalty benefit when that consequence was shown before booking.

9. Studio Cancellation

If Music Life Studios cancels a confirmed appointment, the Studio may offer a reasonable rescheduled time.

If the affected Service is not performed and the Customer does not accept a reasonable reschedule, the Customer will receive the treatment required by the applicable Refund Policy and law.

10. Force Majeure

Severe weather, utility failure, emergency, serious illness, government action, or another event reasonably outside the affected party's control may require rescheduling.

Music Life Studios will make reasonable efforts to communicate the interruption and arrange the appropriate next step.

REFUND AND DIGITAL PRODUCT POLICY

1. Different Transactions Receive Different Treatment

Music Life Studios does not use one blanket "all sales final" rule for every service.

Refund or credit treatment depends on:

- the service purchased;
- reserved Studio time;
- cancellation timing;
- work already performed;
- files already delivered;
- membership benefits already made available or used;
- rewards redeemed; and
- applicable law.

2. 50% Reservation Deposit

The standard deposit/retainer is 50% unless the applicable Service Module states otherwise.

The exact treatment of a timely cancellation is governed by the Booking Policy and Schedule A.

A late cancellation or no-show may cause the deposit to be retained where that consequence was clearly disclosed before purchase.

3. Studio-Canceled Services

When Music Life Studios cancels an unperformed Service and does not provide an accepted reschedule, the Customer is entitled to an appropriate refund or credit for the unperformed Service.

4. Work Already Performed

When Customer requests cancellation after work begins, Music Life Studios may retain payment reasonably attributable to:

- work already completed;
- Studio time already used;
- nonrecoverable approved project expenses; and
- any properly disclosed reservation amount.

Any remaining amount will be handled according to the applicable transaction terms and law.

5. Delivered Digital Work

Digital delivery does not automatically mean that every transaction becomes non-refundable.

A refund request concerning delivered work will be evaluated based on whether Music Life Studios delivered the purchased scope, work completed, prior approvals, and applicable law.

Subjective preference alone does not automatically entitle the Customer to unlimited revisions or a full refund when the contracted work was properly delivered.

6. Passport Membership

Passport cancellation stops future billing.

The current paid billing period is generally not refundable after membership benefits have become available or have been used, subject to applicable law.

Unused membership benefits have no cash value.

7. Loyalty Rewards

Unredeemed loyalty rewards have no cash value.

Where a qualifying underlying transaction is fully refunded, successfully charged back, fraud-reversed, or otherwise reversed, unredeemed loyalty progress attributable to that transaction may be reversed through an auditable adjustment.

A previously issued beat license will not simply be deleted from the historical record.

8. Chargebacks

A refund request is not the same thing as a chargeback.

Nothing in this Policy waives the Customer's lawful right to dispute a charge.

Customers are encouraged to contact Music Life Studios first when a billing or service issue can reasonably be resolved directly.

Music Life Studios may provide transaction records to the applicable payment provider in response to a dispute.

No punitive automatic chargeback fee is imposed unless separately approved after legal review.
