Guardian Authority

The signer states that the signer is legally authorized to provide the permissions stated in this document for the Minor.

Services

The Guardian approves the Music Life Studios services identified in Schedule A.

Recording Permission

The Guardian authorizes the Minor to participate in the approved recording, production, mixing, mastering, or related project activities.

Payment Responsibility

The Guardian agrees to the payment responsibilities expressly identified in Schedule A to the extent enforceable under applicable law.

Project Materials

The Guardian confirms that the Minor and Guardian will comply with the Customer Materials and rights-clearance rules applicable to the transaction.

Publicity

Portfolio or publicity permission is **not** automatically included.

If promotional permission is desired, the Guardian must separately complete the Media / Portfolio Release.

Rights Transfers

No copyright assignment, exclusive license, publishing transfer, or work-made-for-hire arrangement involving the Minor is created through this form alone.

Any such arrangement requires separate written terms and appropriate legal review.

Customer Responsibility

Customer must own or have permission to use every Customer-supplied item used in the project.

Music Life Studios does not automatically provide sample-clearance or copyright-clearance services.

Studio-Supplied Material

If Music Life Studios provides material known to carry third-party restrictions, those restrictions should be identified in the transaction documents.

No Guarantee

The Studio does not guarantee that a Customer-requested interpolation, reference imitation, sample, or third-party element is legally clear merely because it can technically be incorporated into the project.

No commercial or platform result is guaranteed.

ADD-ON B — CLEAN VERSION

Music Life Studios will create a clean version from the approved project.

Censorship method:

- ☐ Mute
- ☐ Reverse
- ☐ Replace
- ☐ Drop-out
- ☐ Other: _____

Customer remains responsible for any platform, broadcaster, or distributor classification requirements.

ADD-ON C — EXPLICIT VERSION

Music Life Studios will deliver an explicit version from the approved project.

Customer remains responsible for proper explicit-content labeling during release or distribution.

ADD-ON D — PERFORMANCE VERSION

Music Life Studios will create a performance version using the elements identified below:

- ☐ Reduced lead vocals
- ☐ Background vocals retained
- ☐ Ad-libs retained
- ☐ Hooks retained
- ☐ Other: _____

Final configuration:

ADD-ON E — INSTRUMENTAL VERSION

Music Life Studios will deliver an instrumental version based on the available project files.

The Customer receives no additional beat or Composition ownership merely because an instrumental version is delivered.

ADD-ON F — ACAPELLA VERSION

Music Life Studios will deliver an acapella/vocal-only version based on the available project files.

Delivery may include existing vocal processing unless dry-vocal delivery is expressly included.

ADD-ON G — RADIO EDIT

Music Life Studios will create a shorter and/or edited version according to the approved instructions.

Target Length: _____

Requested Edits: _____

No radio airplay, station acceptance, or platform acceptance is guaranteed.

ADD-ON H — MIX-STEM DELIVERY

Music Life Studios will provide agreed mix stems.

Included stem groups:

Mix stems are not automatically equivalent to:

- raw multitracks;
 - complete Pro Tools sessions;
 - plugin chains;
 - production source files; or
 - unrestricted trackout rights.

Scope:

ADD-ON L — LIVE ATTENDED REVISION

Customer may attend a scheduled revision session.

Duration:

Price:

\$__

The Customer purchases the scheduled revision time rather than a guaranteed number of completed changes.

ADD-ON M — PORTFOLIO / PUBLICITY PERMISSION

This Add-On may be selected only when the Customer affirmatively opts in.

The separate Media / Portfolio Release should identify the exact permitted materials and uses.

ADD-ON N — MINOR / GUARDIAN CONSENT

When required, the Minor Client and Parent / Guardian Consent must be completed before the applicable service begins.

This Add-On does not itself create a copyright transfer or publicity release.
