

MUSIC LIFE STUDIOS

MUSIC LIFER AND PASSPORT LOYALTY SCHEDULE

This Schedule supplements the Music Life Studios Services Agreement.

PART A — FREE MUSIC LIFER PROGRAM

1. Free Account

The Music Lifer program is a free loyalty program.

A Music Lifer may purchase eligible Music Life Studios services without purchasing a paid Passport membership.

2. Earning Stamps

Each eligible completed paid session earns one Music Lifer stamp.

A stamp is earned only after the session:

- has been paid as required;
- actually occurs; and
- is marked completed.

The following do not earn stamps:

- unpaid bookings;
- fully refunded transactions;
- successful chargebacks;
- no-shows;
- late cancellations;
- complimentary sessions; and
- sessions funded entirely by a loyalty reward, unless Music Life Studios expressly changes that rule.

3. Music Lifer Reward

After **5 eligible completed paid sessions**, the Music Lifer earns:

- **2 recording hours; and**
- **1 Starter Reward Beat License.**

The reward has no cash value and is non-transferable unless Music Life Studios expressly provides otherwise.

4. Reward Beat Redemption

The Customer has **90 days after the reward-earned date** to choose an eligible beat and complete the applicable license acceptance.

A reward does not reserve a particular beat before completed redemption.

If an eligible beat becomes unavailable before redemption, the Customer may choose another eligible beat.

PART B — PASSPORT MEMBERSHIP

5. Passport Starter — \$149/Month

Includes:

- 3 recording hours each billing cycle;
- 1 Master Only service each billing cycle;
- additional recording at \$45/hour;
- 10% off eligible Quick Finish services;
- 10% off eligible catalog beat licenses;
- priority access to available booking times;
- 1 short monthly project-planning check-in; and
- up to 1 unused recording hour rolling over for one additional billing cycle.

Loyalty Reward

After **3 verified successful paid membership months**, Passport Starter earns:

- **2 recording hours; and**
 - **1 Starter Reward Beat License.**
-

6. Passport Builder — \$325/Month

Includes:

- 6 recording hours each billing cycle;
- 2 eligible Quick Finish services each billing cycle;
- additional recording at \$45/hour;
- 10% off Standard Mix and Master;
- 10% off eligible catalog beat licenses;

- priority booking;
- 1 thirty-minute monthly artist-development or release-planning session; and
- up to 2 unused recording hours rolling over for one additional billing cycle.

Loyalty Reward

After **2 verified successful paid membership months**, Passport Builder earns:

- **3 recording hours;**
 - **1 Commercial Beat Lease; and**
 - **25% off one eligible Quick Finish.**
-

7. Passport Release — \$499/Month

Includes:

- 8 recording hours each billing cycle;
- 3 eligible Quick Finish services each billing cycle;
- 1 Master Only service each billing cycle;
- 15% off Standard Mix and Master;
- 15% off Advanced Mix and Master;
- 15% off eligible catalog beat licenses;
- priority booking;
- 1 monthly creative/release-strategy session;
- 1 project-file review;
- early access to selected new catalog beats; and
- up to 3 unused recording hours rolling over for one additional billing cycle.

Loyalty Reward

After **2 verified successful paid membership months**, Passport Release earns:

- **3 recording hours;**
 - **2 Commercial Beat Leases; and**
 - **50% off one eligible Quick Finish or Master Only service.**
-

PART C — PASSPORT BILLING

8. Month-to-Month

Passport is month-to-month.

There is:

- no mandatory long-term commitment;
- no mandatory three-month commitment;
- no early-cancellation penalty; and
- no cancellation penalty.

Only one monthly payment is required at enrollment.

Membership renews monthly until canceled.

9. Cancellation

A member may cancel before the next billing date.

Cancellation stops future renewal.

The membership generally remains active through the already-paid billing period.

10. Failed Payments

If a recurring payment fails:

- the membership becomes past due;
- no new benefits are issued;
- redemption of new benefits may be paused;
- the member may update the payment method; and
- benefits resume only after successful verified payment.

An existing confirmed booking will be handled under the applicable booking and payment policy rather than being automatically canceled without review.

Repeated payment failures may result in membership suspension or cancellation.

PART D — PAUSE AND ROLLOVER

11. Membership Pause

A Passport member may pause membership for **one billing cycle once during a six-month period**.

During the pause:

- no membership charge is made;
- no new monthly benefits are issued;

- member discounts are inactive;
- eligible rollover recording hours are frozen;
- Passport reward progress is frozen rather than reset; and
- existing confirmed bookings remain subject to the ordinary booking rules.

The member may cancel while paused.

A pause does not automatically continue beyond one billing cycle.

12. Recording-Hour Rollover

Only unused included recording hours roll over.

They remain available for **one additional billing cycle only**.

Maximum rollover:

- Passport Starter: 1 hour
- Passport Builder: 2 hours
- Passport Release: 3 hours

The following do not roll over:

- Quick Finish credits;
- Master Only credits;
- planning or strategy sessions;
- discounts; and
- project reviews.

Oldest eligible rollover hours should be used first.

PART E — BENEFIT RULES

13. No Cash Value

Membership and loyalty benefits have no cash value and are non-transferable unless expressly stated otherwise.

14. Reward Stacking

Loyalty rewards and membership discounts do not automatically stack.

They may be combined only when Music Life Studios expressly identifies the promotion or benefit as stackable.

15. Reward Recording Hours

Reward studio hours are initially for recording-session time only unless the applicable reward expressly says otherwise.

16. Quick Finish Upgrade

An included Quick Finish does not guarantee that every song qualifies for Quick Finish treatment.

If the project requires Standard or Advanced Mix and Master work, Music Life Studios will:

1. stop before doing the additional paid work;
2. explain the required upgrade;
3. provide the additional price; and
4. obtain approval.

When an included Quick Finish is upgraded:

1. the retail value assigned to the Quick Finish is credited first; and
2. the applicable Passport discount is applied to the remaining eligible upgrade amount.

17. File Retention

Free Music Lifer account holders receive the **90-day** standard retention period.

Passport members receive at least the same **90-day** period at launch.

Music Life Studios may later add longer Passport archival benefits.

Membership cancellation does not immediately erase files that remain within the applicable retention period.
